The World. . .

has lost a special soul. Elie Wiesel died on July 2, 2016 at the age of 78. His life was marked by his Holocaust experiences and the loss of his father at the age of 16. Here is one place to learn more about this remarkable man: <http://www.jpost.com/Israel-News/A-Personal-Retrospective-Was-Elie-Wiesel-Happy-459326>.

Temple members did good, once again

On Sunday, August 28, members of the Altoona Islamic Center and Mosque and members of Temple Sholom cooked, served and cleaned up at The Community Table. See some terrific photos

posted on the Temple and the Mosque Facebook pages. Temple participants were: Shelley Fredson, Sarah Klenz, Ido Dekel, Teva Dekel, Jerry Weisser (a chef in the Air Force!) and Sue Gordon. Thanks to everyone who served, along with five or six adults, three teens and others from the Mosque.

Easy Money. . .

is fiction, of course, so remember to take used printer cartridges to One Source on Barstow and give them Temple Sholom's name. Everything will be recycled and a rebate will be given for some items.
